
ABSTRACT SUBMISSION GUIDELINES

PRiSM 4th Annual Meeting
January 26-28, 2017
Texas Scottish Rite Hospital for Children
Dallas, Texas

INTRODUCTION

The PRISM 4th Annual Meeting welcomes the submission of abstracts for original contribution to the field of pediatric sports medicine on the following topics:

- Athletic training
- Basic science
- Non-surgical interventions
- Practice efficiency
- Radiology
- Rehabilitation
- Surgery
- Other

Please review this information carefully and submit your abstract in accordance with these guidelines.

The 2017 PRISM Scientific Program Committee reserves the right to decline any abstract that does not meet the requirements outlined below.

ABSTRACT SUBMISSION DEADLINE

The deadline for abstract submission for the PRISM 4th Annual Meeting in Dallas, Texas, is **June 15, 2016**.

Submit online: <http://www.prismsports.org/events/2017-annual-meeting>

GENERAL ABSTRACT GUIDELINES

1. Abstracts must be in English.
2. Abstract titles must be in ALL CAPS.
3. The maximum number of words in the abstract body is 400.
4. After review, the Scientific Program Committee will make the final decision as to an abstract's format of oral or poster presentation.
 - Oral presenters have 5 minutes for their presentation and up to 5 minutes for questions and answers, depending upon the number of presentations in a session.
 - Poster presenters will submit their work as a physical poster and/or an e-poster. Details will be provided to accepted authors.

5. Generic drug names may be used, but commercial (product, brand) drug names are not allowed anywhere in the presentation.
6. Authors may edit and modify their abstracts until the abstract submission deadline (**June 15, 2016**). However, no further edits or modifications will be permitted after the deadline.
7. We suggest the use of the following categories to structure your abstract
 - Background (purpose and objectives)
 - Methods
 - Results
 - Conclusion / Significance

ABSTRACT REVIEW AND SELECTION

Each abstract will be blinded and reviewed by members of the Scientific Program Committee. The Scientific Program Committee is composed of a multi-disciplinary group of PRISM members.

Review of abstracts is based on the following criteria:

- Scientific/clinical originality
- Scientific/clinical quality
- Relevance to the field
- Adherence to the Meeting theme
- Ability to generate interest among delegates

The Scientific Program Committee reviews will result in a recommendation for acceptance or regrets. Submitting authors will receive notification of acceptance or regrets via e-mail by mid-August.

ABSTRACTS ACCEPTED

All presenting authors of accepted abstracts must register and attend the 4th Annual Meeting and pay applicable fees.
